Welcome to Suptendu Pharmacy Institute

A pioneering institution dedicated to excellence in pharmaceutical education and research. Established in the year 2023, Suptendu Pharmacy Institute is proud to be a part of the esteemed GENEX-SUPTENDU-GROUP, a legacy initiated by the visionary Late Shri Suptendu Dutta.

As a branch of the GENEX-SUPTENDU Group, which encompasses a range of reputable educational institutions including Laxmi Nursing Institute (Boys), Genex Nursing Institute (Boys), Genex Public School, Genex College of Pharmaceutical Sciences & Technology, Genex B.Ed College, Suptendu Memorial D.Ed College, and Basudeb Nursing Institute (Girls), we inherit a rich tradition of academic excellence and commitment to holistic development.

Suptendu Pharmacy Institute offers a Diploma in Pharmacy program, meticulously designed to equip students with the knowledge, skills, and practical experience necessary to excel in the dynamic field of pharmacy. Our curriculum is aligned with the highest standards set by the West Bengal State Council of Technical and Vocational Education and Skill Development (WBSCTVESD) and the Pharmacy Council of India, ensuring that our graduates are well-prepared to meet the demands of the industry. At Suptendu Pharmacy Institute, we are proud to be a privately funded institution, enabling us to maintain a focus on quality education and student-centric initiatives. Our college is led by a dynamic administrative team, comprising Mr. Saankar Pal (President), Mrs. Mousumi Dutta Pal (Secretary), and Mr. Suman Banerjee (Admin. Officer), who are dedicated to fostering an environment conducive to learning, growth, and innovation.

We are located in Hooghly, Chinsurah. Our institute offers state-of-the-art facilities, well-equipped laboratories, and a faculty of experienced professionals who are passionate about shaping the future leaders of the pharmaceutical sector. Whether you are a prospective student, a healthcare professional seeking to enhance your skills, or an industry partner looking to collaborate, Suptendu Pharmacy Institute welcomes you to join our vibrant community. Together, let us embark on a journey of discovery, innovation, and excellence in pharmaceutical sciences.

Our Mission

- To ensure a congenial environment in the campus to achieve academic excellence.
- To serve as catalyst in bringing the best in each student in the field of Pharmaceutical sciences.
- To be a learning organization with a commitment to learn , adapt and change as a means to continuous improvement.
- To develop a responsible and productive citizenry.
- To develop, enhance, and improve the quality of human resources.
- To cultivate resolute moral and ethical values
- To preserve and promote cultural heritage, humanistic and spiritual values.

Our Vision

To become a Centre of Excellence of Pharmacy Education and to serve the society by developing students heightened intellectual, cultural, ethical & humane sensitivities; to foster a scientific temper, and to promote professional and technological expertise.

Why will you choose the Suptendu Pharmacy Institute?

SMART Infrastructure

Suptendu Pharmacy Institute is designed to suit the needs of each department, from well planned and strategically placed study spaces to congregational areas for students to gather and discuss. SPI has truly thought through every inch of the campus to add purpose to the experience. Practical Labs, Centres of Excellence & Smart Classes, all cater to the development of students on subject matters whereas auditoriums & Computer Labs helps in the nurturing creative & technical growth of the students.

Pharmaceutics:

The lab equips students with concepts of formulation, dosage forms & others. Students undergo hands-on training with instruments like Tablet Punching Machine, Dis-integration Apparatus, and Dissolution Apparatus to name few.

Pharmaceutical Chemistry/Bio-Chemistry & Clinical Pathology:

The lab provides vast knowledge about the chemicals which are used to manufacture the medicines. The lab is well equipped with glass apparatus, chemicals & various instruments like Digital Balance, PH meter & various other instruments.

Human Anatomy & Physiology/ Pharmacology:

The lab provides software to study the effects of drugs on animal models as experiment on lab animals has been withheld by ethical committee. Various Charts on skeleton system, on nervous system & other charts are also present.

Pharmacognocny Lab:

The lab displays charts of various medicinal plants depicting there medicinal values. Various crude drugs like Senna, Vinca, Datura are present in our lab.

Pharmacy Practice:

The lab is equipped with clinical instruments such as Blood pressure monitor, variety of syringes, Catheters, Oxygen mask to name a few.

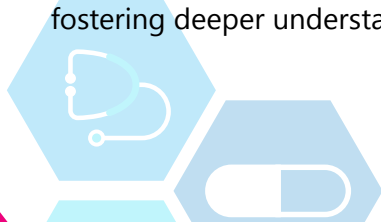

Advance Lab Technology

Our College provides modern & updated laboratory facilities to cater the needs of present pharmaceutical sector. All total there are 5 labs in our department.

Digital Classroom facility

Our digital classrooms offer an interactive platform for students to enhance their educational skills. Featuring multimedia presentations and real-time collaboration tools, students engage actively with course material, fostering deeper understanding and problem-solving abilities.

Hospital Training

After passing Part-II of the Diploma in Pharmacy exam, candidates are eligible for practical training in institutions such as hospitals/dispensaries run by the Central/State Government, licensed pharmacies, and drug manufacturing units. Training institutions must adhere to student-to-pharmacist ratios outlined by regulations. Additionally, hospitals and dispensaries not specified initially must be recognized by the Pharmacy Council of India. Practical training involves hands-on experience in record-keeping, pharmaceutical apparatus use, prescription reading and dispensing, and drug storage, totaling a minimum of 500 hours over three months, with at least 250 hours dedicated to prescription dispensing.

Field Visit

As per Pharmacy council of India (PCI) guidelines, students are provided industrial visit in Pharmaceutical Company.

Students are also exposed at water treatment plants operations.

Visiting Old-age Homes: Schools is also a part of the course.

Retail/Wholesale Pharmacy visit is also a requirement.

We also provide Primary Health Care visit for students to update their clinical knowledge.

Scholarship Facility

We offer 100% education loan assistance for immediate disbursement, managed by a dedicated team facilitating all necessary documentation. We support the Student Credit Card Scheme, introduced by the Higher Education Department, Government of West Bengal under the visionary leadership of Mamata Banerjee. This scheme enables students to pursue various educational programs without financial constraints, including secondary, higher secondary, undergraduate, postgraduate, and professional courses. Loans up to Rs 10 lakhs @ 4% per annum interest are available, with a 1% interest concession if fully serviced during the study period.

Swami Vivekananda Merit-cum-Means Scholarship

60% marks in aggregate in the last qualifying examination (75% for previous year pass out candidates) from West Bengal Board of Secondary Education/West Bengal Council for Higher Secondary Education/Madrasa Education for Higher Secondary level.

The student's gross annual family income does not exceed Rs. 2,50,000.

OASIS scholarship

1. The candidate must belong to SC or ST category.
2. The family income should be less than 2 Lakh per annum.

Minority (Aikyashree) scholarship

The student is studying at the undergraduate level, he or she must have secured at least 75% marks in class 12th. The annual family income of the student should not exceed Rs. 2.5 lakh.

Hostel & Canteen facility

At Suptendu Pharmacy Institute, we prioritize student comfort and well-being. Our campus features a spacious, well-furnished canteen with a hygienic drinking water facility, accommodating over 100 people. Here, students can enjoy quality meals, including lunch, tea, coffee, snacks, and cold drinks, all at reasonable prices. Additionally, our Wi-Fi enabled campus ensures connectivity throughout, while our bathroom and indoor game room facilities provide added convenience and recreation. Moreover, we take pride in our small temple within the campus premises, serving as a serene space for teachers, staff, and students to find solace and spirituality amidst their academic pursuits.

Sports Facilities

At Suptendu Pharmacy Institute, we prioritize both sports and cultural events to ensure holistic development. Our annual sports day, typically held in January, promotes physical health and fitness, complemented by regular sports events scheduled throughout the year. As part of the Genex Suptenndu Group, we participate in cultural extravaganzas like G-Fest, where all units unite for a memorable showcase. We eagerly anticipate the active participation of our new batch in upcoming cultural and sports events, fostering camaraderie and talent across the institute.
